

皆様へのご挨拶を謹んで申し上げさせていただきます。

ご利用者皆様、ご家族の皆様、ボランティアの皆様、町内会の皆様、地域介護・医療の皆様、市政・行政ならびに県政・行政、広くは国政・行政ならびに厚生労働省の皆様、社会福祉協議会の皆様、地域介護施設の皆様、理事・評議員会の皆様、社会福祉法人 恵徳会へのご協力・ご支援ならびにご指導を日頃よりいただき、大変にありがとうございます。衷心より御礼申し上げます。

『社会福祉法人 恵徳会』は設立36周年を迎えるに至り、益々、地域介護・居宅医療での貢献へと邁進し、純粋なる福祉の精神を根幹に運営してまいります。

十数年前の介護保険制度開始以来、長きに渡り財政面では試行錯誤がありましたが、ようやく平成26年度決算より黒字経営ラインに回帰、まだまだ経営での挑戦は継続しますが、特養の増床移設への新しい施設が平成29年初頭の開設予定となりました。これも、ひとえに、皆様のご支援の賜物であると感謝しております。

私ごとになりますが、昨年の4月に法人の理事長の大任を仰せつかり、これまでの7年間の監事の経験ならびに一般企業での経営経験が生かせるのか大変不安でございましたが、あくまで『純粋なる福祉』と『経営と財政管理、』の二つの別々な能力の異なる脚足が歩調を合わせて一歩ずつ前へ前進することを心掛けて運営をしてまいりました。現実には厳しくとも、確かな目標設定と希望を胸に、職員共々、『負けじ魂』で道を切り開いてまいりますので、今後とも是非よろしくお願い申し上げます。

Greeting to you all with my sincere gratitude with heart.

For those who volunteers , stay and live in our nursing home and their families, who are community service members, city hall staffs, city assembly members, prefectural assembly's, welfare service counselors, our corporate members, nearby nursing home and medical facility staffs and doctors, I am so grateful.

Through 36 years since KEITOKU's start of operation as welfare service corporation, we feel so much more determined now that we would dedicate further toward regional health, nursing and medical care quality expansion.

Looking back 10 and more years since the first introduction of elderly nursing care national insurance system, our KEITOKU corporation had experienced so many financial hardships however, the latest years fiscal year closing results finally shows the books are turned in profits to our great relief, though our challenges toward more futures continue...

If I am allowed to be personal, since taking this present office as "Chief Director of Corporation" back in April last year, I actually wondered if I be able to do Corporate Management well enough to maintain or improve the whole operation by using my past years experience as financial auditor of KEITOKU(7 years) and other experience as a board member of commercial companies over years.

Now, I believe that our welfare service corporation is TWO LEGGED.

THE ONE(LEG) is a pure welfare aimed/pure hearted service to those who need, THE OTHER(LEG) is a financial and corporate management skilled function. WITH THESE LEGGS that walks on the same pace and to achieve the same ultimate goal "SERVING AND HELPING PEOPLE as WELFARE", our KEITOKU would never fail to walk more and more miles on the road.

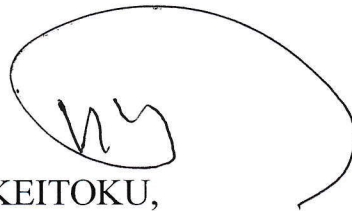

"NEVER GIVE IN NO MATTER WHAT THE ENVIRONMENT" is our motto.

Again, thank you so much and the same for your reading this message.
